

# Assessment Policy 2015-16

Ambassador School follows a Continuous Comprehensive Evaluation (CCE) process which is a balanced assessment system. Both Summative and Formative Assessments form an integral part of information gathering. The objective of CCE process is to help in improving student's overall development. The process helps the student to identify learning difficulties at regular intervals, diagnose the learning gaps if any, use corrective/remedial measures to enhance learning and collate feedback which is an evidence to teachers and students for self-evaluation.

Assessments in Grades 1 and 2 are informal and done mostly through observations and classroom interactions. Grade 3-12 is done through continuous comprehensive evaluation
